All Parishioners and Friends of our Parish - New Church Building Update

We have selected an Architect and Engineer for our Church Building Project. They will work with us through the completion of the project. They will complete all drawings, changes, adjustments and secure all necessary permits.

Our total pledges to date for the project are \$527,952 and payments received on the pledges is \$313,811. We still have not received pledges from all our parishioners, so we ask that you please consider joining us in supporting our new church building. For those making payments on their pledges, we ask that you keep current on your pledge payments.

If you have any questions, please contact Father Ricci, Jay Gallagher or Greg Amys.

If you are new to our parish and would like officially become a member, please email or call Sue in the parish office

CSA

Please remember your CSA pledges. We have \$9680 of \$12,398 pledges so far (78%). If we do not meet our goal the money will have to be taken from parish funds. Thanks you for your generosity. No gift is too small. There is still time to make your contribution. Let's see if few can get 100% participation.

During the time that our Parish Masses, Meetings and Classes are suspended, we will still be faced with our weekly operating expenses. We would ask that everyone continue to make weekly donations to support our Parish. Donations can be made by mailing to our PO Box 397, online at the Cluster website . If you have any questions, please call Sue at 715-374-3570. Thanks to everyone for your past and future support of our Parish.

Donations to any of our ongoing causes—babies, food, collection can be left outside the parish center door Mondays or Thursdays from 8-12

OH Baby!!

As part of our Lenten practice we are having a drive for the Lake Superior Life Care Center in Superior. Last year our drive was very successful and this year it is more important than ever to support those in need who have chosen life for their babies and are helped tremendously by the Center. Our support of the Life Care Center

helps those who choose to keep their babies provide for them. Items being collected are diapers, wipes, lotions, clothes, blankets, and any other baby items.

On September 25, 2010, Our Lady of Guadalupe Council 8306's Financial Secretary, Dennis Chaput woke up suddenly, needing food to raise his blood sugar. He got up, ate, and, while waiting for sleep to return, was given a vision from God. In this vision God outlined a plan to fight hunger around the world. God told him... "As you prepare for Easter by sacrificing during Lent, remember the 40 days and nights that Christ spent in the desert, without food or water, praying and preparing for his sacrifice on behalf of mankind. During this Season, have each person donate one can of food each day." God called His plan: "40 CANS FOR LENT." And then He asked Dennis, "Will you feed my people?" Dennis said, "YES".

Now God is asking you.

Lent 2020 begins Ash Wednesday, Feb 26 thru Thursday, Apr 9

(All donations are for the area food shelf)
