Welcome Back to Mass

We will be having Mass at 11am in the parish hall until further notice. All recommended safety practices are in place and things went well last Sunday. The Bishop has still granted a dispensation for in person Mass for those who are not yet ready to return. Masses will continue to be broadcast.

As we transition back to in person Masses, all hymnals and worship aids have been removed from the church. For those who like to follow along with the worship aid, you can find it in the myParish app. You are encouraged to use your smart phone or tablet during Mass if you would like to follow along.

To access the myParish app on your smart phone or tablet:

1. Search myParish on the Google Play or the App Store
2. Download the app

All parishioners and friends of our parish

Our new parish church building project is still moving forward. The building committee had a meeting this week to review the revised building prints and make necessary changes. The architect will now the revisions and the prints forwarded to Father Andrew and Bishop Powers for their approval. After we receive the approvals, we will schedule a time in the parish hall for parishioners to view the prints and ask questions. We are currently looking at a late August or early September for a start date of construction.

To date, we have received \$530,00 in pledges and have received payments on the pledges of \$334,000. For those who have still not made a pledge, we ask that you seriously consider it. If you need a pledge form, contact Sue and she will mail the form. If you have any further questions concerning making a pledge, please contact Greg Amys at 218-340-4683

During the time that our Parish Masses, Meetings and Classes are suspended, we will still be faced with our weekly operating expenses. We would ask that everyone continue to make weekly donations to support our Parish. Donations can be made by mailing to our PO Box 397, online at the Cluster website . If you have any questions, please call Sue at 715-374-3570. Thanks to everyone for your past and future support of our Parish.

WEEKLY MEDITATION

The Gospel this week offers a familiar story that many of us have heard on numerous occasions. The miracle of the fishes and loaves offers a rich opportunity to reflect on a variety of themes that are central to the Christian disciple.

In order to do this, let's take a step-by-step review of this story:

1. Jesus hears of the death of John the Baptist
2. Jesus seeks solitude in a deserted place
3. The crowds eagerly seek Jesus
4. Jesus sees the crowds and pities them
5. Jesus cures their sick
6. The people are hungry and far from home
7. The disciples tell Jesus to send the people away
8. Jesus tells the disciples to feed the people
9. The disciples say there is only 5 loaves & 2 fish
10. Jesus TAKES, BLESSES, BREAKS, GIVES
11. There is an abundance (leftovers of food!)

Here are a few observations:

1. **Jesus' heart is moved with sorrow** for the death of John the Baptist. Perhaps he is considering his own approaching death, and he seeks some quiet personal time. Yet when the crowds crush in upon him, the Lord pities and responds to their needs. It is the generous and loving heart of Jesus that is worthy of reflection and observation here.
2. Jesus observes that many people are sick, and **the Lord takes the time to heal** their bodies.
3. The people have been with Jesus all day. They are far from home, and they have not eaten. While the disciples want the Lord to send them away, Jesus commands them to feed the people; when they use the limited food supply as their excuse, Jesus takes, blesses, breaks, and gives them an abundance. Thus, **Jesus cares for the people - body and soul** in a way that is truly overwhelming.
4. The same verbs of **taking, blessing, breaking, and giving** are used to describe the Lord at the Last Supper. **This feeding miracle is just another form of Eucharist!**

Jesus moves beyond his own personal concerns to love, respond, and serve others. The Lord cares for both the physical and spiritual needs of people in a generous way. May we follow his example in our own lives of service and ministry.

Fr. Andrew

Question for Children: What are the ways that Jesus shows he loves you?

Question for Youth: Jesus was very attentive to his followers. He cared for them and for their needs. What are your needs? What can Jesus do to help you?

Question for Adults: In your experience, what "false obstacles" have you or people you know experienced separating them from Christ? Things such as divorce? Or marrying outside the church? Or not attending Mass? Or others?

SOCIETY OF ST. VINCENT DE PAUL

How has C-19 Affected Our Society and Those in Need?

We are a different type of busy, serving in a different way, and serving more who are homeless.

Over the past nine months our Society has been contacted by 896 households (compared to 811 over the same period last year) and we have distributed \$58,000 (last year \$69,000). The good news - food resources are the best they have been and stimulus monies and government programs to help those facing eviction or trying to get out of homelessness have provided more direct aid to those in need than in the past. The challenge - shelter for those who are homeless has become more limited resulting in 94% of our expenditures directed to providing shelter to those who are homeless and vulnerable to C-19 (pregnant women, families with children, the physically ill and elderly).

We continue to meet with people virtual conference calls and have delivered nearly \$2,000 in goods directly to those in need in the past three months (tents, clothing, household goods, and food to people living in motels).

We are still unable to accept goods due to the Catholic Charities Building not having public access and a safe way to handle donations. Financial donations can be mailed to: SVDP 1416 Cumming Avenue, Superior. If you or anyone you know has a need or you wish to learn more about volunteering please leave a message at 715-398-4039. Thank you for your ongoing support.
