## WEEKLY MEDITATION

I can only imagine the surge of excitement that went through the disciples as the word was shared. Beyond the agony of the Cross and the sorrow of the Tomb on that first day of the week the message was proclaimed: *He's Alive!*

And everything changes. This group of disciples - bound by fear and selfishness - are **transformed with a new strength and conviction**. Their encounter with the Risen Lord will empower them to face the obstacles of this world with joy and hope. They have seen the risen Christ...what is there to fear? They have embraced the one who has conquered sin and death - there is NOTHING that can shake their confidence in the light of Easter morning.

This same strength comes to us. Like the first disciples, we can turn to Jesus and allow his saving grace to renew us with a strength far beyond our own. We can claim a hope that sustains us in the midst of our challenges and struggles. The Easter sunrise brings light to the darkest corners of our hearts.

**What in our lives needs to be touched by Jesus Christ?** We are invited to boldly come forward, receive his resurrection strength, and face whatever this world presents with confidence: the victory of Christ enlivens us to travel through life with the conviction that the grace he gave his disciples continues in our hearts today.

**May this Easter season be a time of transformation and renewal;** a time where we embrace the gift of our lives with a new freedom and conviction. In the light of this Easter, may we follow the one who leads us from sin and death to the abundance of life...in this world, and the world to come.

**Happy Easter!**

Fr. Andrew

**Question for Children:** What sacrifices do you make for those whom you love?

**Question for Youth:** Even the disciples had a hard time understanding Jesus' Resurrection - it is that surprising. What does Resurrection mean to you? What does Easter mean to you?

**Question for Adults:** In what ways has God called you to die in Christ? How is this expressed in your own life?

# Easter Sunday-The Resurrection of the Lord

APRIL 4, 2021

## What is Easter?

The Easter Vigil is the “Mother of All Vigils.” Easter Sunday, then, is the greatest of all Sundays, and Easter Time is the most important of all liturgical times. Easter is the celebration of the Lord’s Resurrection from the dead, culminating in his Ascension to the Father and sending of the Holy Spirit upon the Church. There are 50 days of Easter from the first Sunday of Easter to Pentecost. It is characterized, above all, by the joy of glorified life and the victory over death, expressed most fully in the great resounding cry of the Christian, Alleluia! All faith flows from faith in the Resurrection: “If Christ has not been raised, then empty [too] is our preaching; empty, too, is your faith” (1 Cor 15:14).

“What you sow is not brought to life unless it dies. And what you sow is not the body that is to be but a bare kernel of wheat, perhaps, or of some other kind; . . . So also is the resurrection of the dead. It is sown corruptible; it is raised incorruptible. It is sown dishonorable; it is raised glorious. It is sown weak; it is raised powerful. It is sown a natural body; it “Easter is the celebration of the Lord’s Resurrection from the dead, culminating his Ascension to the Father and sending of the Holy Spirit upon the Church.” is raised a spiritual body. If there is a natural body, there is also a spiritual one. So, too, it is written, ‘The first man, Adam, became a living being,’ the last Adam a life-giving spirit. But the spiritual was not first; rather the natural and then the spiritual. The first man was from the earth, earthly; the second man, from heaven. As was the earthly one, so also are the earthly, and as is the heavenly one, so also are the heavenly. Just as we have borne the image of the earthly one, we shall also bear the image of the heavenly one” (1 Cor 15:36-37, 42-49).

The Octave of Easter comprises the eight days, which stretch from the first Sunday of Easter to the Second Sunday of Easter. It is a way of prolonging the joy of the initial day. In a sense, every day of the Octave is like a little Sunday.

The word “Easter” comes from Old English, meaning simply the “east.” The sun that rises in the east, bringing light, warmth, and hope, is a symbol for the Christian of the rising Christ, who is the true Light of the world. The Paschal Candle is a central symbol of this divine light, which is Christ. It is kept near the ambo throughout Easter Time and is lit for all liturgical celebrations.
