

# St. Anthony Lake Nebagamon Religious Ed Newsletter

January 2025

Have you downloaded the Hallow app yet?

There is a lot of children friendly content to listen to. I would suggest scrolling down to Kids and School and taking a look at all the options. Specially for sacramental study *Prep for Confession*– kids or teens, *Princesses of Heaven* for little girls or *Guess that Saint* for slightly older kids.

## Youth Mass

January 12 The Baptism of the Lord

Why do we have youth Mass every month? Taking an active part in Mass is essential to being fully present to Jesus as we take time out each week to offer him our praise and worship. Now that presence can (and should) be in singing the hymns, saying the responses, offering our gifts of money, sitting-standing-kneeling, and all that is part of Mass but when we offer the gift of ourselves in service to others through all the different roles at Mass usually done by adults we are preparing for the day when this can be part of our usual offering to the Lord after confirmation.

Sign up this week to participate in the next Youth Mass.

Parents, it isn't too late!

## Christmas Pageant 2024

*Thank you to everyone who was in the play and to everyone who helped make it an overwhelming success!*

*Many comments were made saying how beautifully done this was and what a great message for today's kids and all people.*

The exhausted shoppers listen to the carolers to find the real meaning of Christmas among all the hype and busyness of the world, trying to find the perfect gift. Instead finding peace and joy in the season and in Jesus.
