WEEKLY MEDITATION

Let's examine some of the themes that we discover in the Mass readings for the 3rd Sunday of Easter.

1st Reading - Acts of the Apostles 5:27-32,40b-41

- The Apostles are brought before the Sanhedrin • and ordered to stop speaking about Jesus.
- Peter replies, "We must obey God rather than • men," and the Apostles rejoice that they have been found worthy to suffer dishonor for the sake of the name of Jesus.

Psalm - 30:4-6,11-13

- "I will praise you, Lord, for you have rescued me."
- We give thanks to God who has pity on us and changes our mourning into dancing.

2nd Reading - Revelation 5:11-14

- John has a vision of countless angelic and human creatures giving praise to the "Lamb that was slain."
- All of creation echoes the words of blessing and • honor as they worship the Lamb.

Gospel - John 21:1-19

- After the resurrection, Jesus is revealed to some of the disciples on the Sea of Tiberias.
- Jesus asks Peter three times, "Peter, do you love me?"

Fr. Andrew

Question for Children: Jesus asks Peter three times if Peter loves Jesus. What one thing can you do this week to show Jesus your love?

Question for Youth: Jesus asked Peter three times to "feed my sheep." Who are you being called to help in your life right now?

Question for Adults: Christ continues to feed us as his disciples, even after his death and resurrection. How does the Eucharist feed your faith?

April 2025

Dear Friends:

I am excited to invite you to our 15th Annual Lumen Christi Award Dinner for Cathedral School. This award is presented to a member of our community who lives the values that our School strives to instill in our students. The award is called "Lumen Christi" which means "the Light of Christ," and it refers to Christ as the source of truth, faith, knowledge, and character.

The recipient of the **Lumen Christi Award** this year is **MaryJo Edge.** MaryJo is a graduate of Cathedral School, Class of 1967. Her involvement in the Cathedral and her passion to bring faith to the youth in our Catholic Community are inspiring and makes it easy to honor her with the Lumen Christi Award. She truly shines with the Light of Christ. I am excited that MaryJo is receiving this award. Her full bio can be found on the reverse side of this letter. The cost for the event is \$100 per person, and all proceeds directly benefit Cathedral School. Please join us if you can.

Open seating will be at round tables and a cash bar available. A professional photographer will be on hand for group photos and you will then be given a photo release for your printing as desired.

The Lumen Christi Award Dinner will be Friday, May 23rd in the UWS YellowJacket Union Great Room.

"We unite our hearts to Jesus Christ through study, prayer, and service."

Mary Jo was born to military parents, between the horrors of World War II and the Korean War – Her mother, Sgt. Dorothy Pelletier met her father, Sgt. Lloyd Ketchum while serving with Army medical attachments in South Carolina, her father would later give his life in the Korean conflict in service of our country in 1950. This is to say that Mary Jo was destined in many ways for a life of service to others.

Education and faith were a formative part of Mary Jo's life from the very beginning. Mary Jo was brought up attending Saint Louis Grade School and later graduated from the class of 1967 from Cathedral School.

After graduation, she married her husband, Douglas Edge, and they welcomed their son Andy to the family in 1980.

The Edge family faithfully attended Saint Louis Parish until its closing in 1989 when they came to the Cathedral of Christ the King. While Saint Louis Parish closed its doors, Mary Jo has maintained close friendships with many of her former parishioners to this day.

Mary Jo went on to continue her life of service in 1992 when she became the long-standing housekeeper for the Cathedral Rectory, working for such memorable clergy as Fr. Ed Meulemans, Fr. John Gerrits, Fr. Jim Tobolski, Fr. John Anderson, Fr. Lee Flaherty and current Cathedral of Christ the King Rector, Fr. Andrew Ricci. As a housekeeper, Mary Jo got to know each priest very well and knew their specific dinner preferences, such as double meat on Fr. Meulemans plate- "hold the vegetables, because he wouldn't eat them anyway."

During her time as housekeeper, Janette Gil de Lamadrid would reach out to Mary Jo, asking for her help with the youth programs at Cathedral of Christ the King. When considering the call, she realized, "If everyone says no, who will do this?" Mary Jo went on to take on 10th grade religious ed, as well as helping with the TONs (Teens Only Night) youth group and the Ski Blast retreat for middle and high school students. Mary Jo loved "her kids," as she fondly remembers them and made every moment special. Many of Mary Jo's former "kids" will remember the Cathedral Cheeseballs she lovingly made to fundraise for the program for many years, and her boundless energy and enthusiasm. No one could forget Mary Jo, and she has not forgotten any of her "kids" either.

She retired from caring for the Cathedral Rectory after 13 years for her "higher calling" of being a grandmother, as her son Andy and his wife Sara welcomed her granddaughter, Alaina, but carried on her work with Youth Ministry for many years.

Mary Jo continued to live a life of service to the Church and to others as a Eucharistic Minister, and now leads the Prayer Chain Ministry, sharing the love of Christ through her indomitable positivity and occasionally a half-cup of black coffee in the mornings around the parish office table – to which she has never turned in her keys.

We are proud to honor Mary Jo's life of service to our church and to our community with the Lumen Christi award, recognizing her commitment to the values we are all called to as followers of Christ.

Father Andrew's Summer Challenge!

This is an excerpt from an article published by Eyesafe Nielsen Estimates...

Recent reports from Nielsen suggest that media consumption has increased 60% due to COVID-19 and home confinement during March, 2020. Given already high screen time hours, this increase is significant. Eyesafe analyzed the current Nielsen Audience Report numbers to develop the "Screen Time Report" which excludes Radio, to understand the actual amount of time the population is in front of devices on a daily basis.

Nielsen has found that in previous times of crisis requiring forced time spent home can lead to a 60% increase in media use. Additional surveying from Nielsen has found that working from home results in increased screen time with worker in the office spending more than 21 hours per week, and workers from home spending 25 hours per week, on work devices.

With a 60% increase in TV and Game Console Media use, and 14% increase in Mobile and Work-Related Device Use, Eyesafe estimates U.S. screen time per person 18+ has increased to 13:28 hours per day in March 2020, up from 10:09 hours per day in Q3 2019.

The Eyesafe estimated per day use of screens for March 2020 in the U.S. includes:

- Live TV: **5:31**
- Time-Shifted TV: :46
- Game Console: :20
- Internet Connected Device: :43
- Internet on a Computer: :36
- App/Web on a Smartphone: 4:31
- App/Web on a Tablet: :59
- Total Screen Time Per Day: 13:28

This shift in screen time is resulting in increased high-energy blue light exposure, concerning for children and adults. Further analysis will review this continued trend in screen time consumption globally and exposure to high-energy blue light in our new reality.

"We unite our hearts to Jesus Christ through study, prayer, and service."

I look at these statistics and I believe that we can do better!

Now while I admit that there is good programming on television and on the web, I suggest that at times it is difficult to find. <u>Therefore, I propose a challenge: Take time during the month of May to talk about the</u> role of television, internet, and video games in your house, and consider one of the following for the three great summer months of June, July, and August:

1. Cold Turkey. That's right! Dump the screens and fill your life with 1001 activities that are good for your mind and your body. Unplug the set(s), stop the video games, and shut down the internet wherever possible. Take back your life and CHOOSE for yourself what kind and type of entertainment and recreation is good for you. And if you need "screen time" by all means take it... but only when YOU CHOOSE what and when you watch. If you can't handle this.....

2. Cut the time. The average American now watches 38+ hours of television a week (that's 5 hours and 31 minutes a day). Decide for yourselves what you choose to watch and set a goal for each person in the house to watch no more than 10 hours a week (about 1 ½ hours a day). If this is still too much for your electronic addiction then.....

3. Have a household discussion. Sit down and discuss what you are watching and come up with a plan. How much TV is too much? What kind of programming is being viewed? How much "surfing" on the web is really useful? What are some alternatives to the mind-numbing effects of the tube? Set limits for yourself.

<u>Talk about the challenge and decide if you would be willing to follow through for 3 months.</u> Some people think that I am crazy to even suggest this, but do we really want our lives completely wrapped around a screen? Do we really want to open our minds and hearts to programming, images, and ideas that are contrary to the Gospel?

This can be an incredible opportunity for all of us to rediscover the beauty and power of summer. In the coming weeks I will suggest different activities and ideas.

Now, if you want to really do your homework and learn more (I warn you it will make you rethink the role of TV/internet in your life!) the web does offer a wealth of information in seconds. If you are looking for some solid sources for information about television and movies there is hope!
